Licensure/Certification
Inference/unregulated
Illegal

CPM - Reciprocity of CPM credential or CPM plus state specific requirements accepted for licensure, certification, documentation or registration.

* - Certified Midwives (CMs) are direct-entry midwives certified by the American Midwifery Certification Board (AMCB).

9/30/2023

For more information on direct-entry midwifery, visit NARM's web site: http://www.narm.org

E - State uses NARM Exam as part of licensure process

^{***} Information for this chart was provided by the North American Registry of Midwives (NARM)
