

State Chapter Goals and Priorities for 2017

The NACPM State Chapter Program continues to expand with each state honing in on its unique work and projects. We currently have 12 fully formed chapters in North Carolina, South Carolina, Pennsylvania, Ohio, Minnesota, Illinois, Maine, Wisconsin, Washington, Nevada, Florida, and Oklahoma. Several more states are well on their way, and even more have expressed an interest in forming. The most recent Chapter Collaboration Call was an opportunity for chapters to share their 2017 goals and priorities with one another and with NACPM leadership.
