

A Call to Action: Your Donations Make a Difference!
Supporting - Connecting - Belonging - Making a Difference Together

- **\$50** supports free membership for a midwife or student midwife from an under-represented community
- **\$100** brings a webinar to a midwife who is not able to attend an in-person professional development workshop
- **\$250** makes sure that a national leader can respond to a request from a state chapter to provide guidance when licensing legislation is being drafted
- **\$350** helps develop toolkits for midwives, such as our Legislation and Advocacy Toolkit and our Equity in Midwifery Toolkit, that will serve midwives for many years to come
- **\$500** ensures that we can deliver on our promise to grow midwifery leadership by connecting state advocates with each other, reducing their isolation and amplifying and sharing their expertise and ability to support one another
- **\$1,000** covers the fee for one Indigenous, LGBTQ, or student midwife of color to take the national certifying examination, overcoming one of the long-standing barriers to a diverse CPM workforce in the U.S.
